BLAKESLEE TO BE GIVEN A HEARING

Charged With Killing Bob St. Marie at Drumright October 25.

Special to The World. DRUMRIGHT, Okla., Dec. 8.—The preliminary hearing of Clyde Blakeslee, charged with the murder of Bob St. Marie in Drumright on the night of October 25, will be conducted here Thursday. County Attorney Roy Whitman of Sapulpa, St. Marie, a humor dealer, was shot through the

heard and instantly killed, Blakeslee being arrested the same night charged with the crime. The woman in the case, Mrs. Lena White, at the coroner's hearing divulged some very damaging evidence against Blakeslee. It was near home that the killing occurred, and according to her testimony, Blakeslee was seen to fire the fatal shot, holding the gun not more than three feet from St. Marie's head. She then says that Blakeslee ran into the darkness. Mrs. White immediately after the shooting notified the police and it is probable that she will figure as a star witness for the state. Blakeslee, after a severe cross-examination, admitted his guilt, but maintains that he was on the police force and was "shadowing" St. Marie on suspicion of selling liquor. The police register, however, shows that he was not employed on the force at the time, only being employed one day as a special officer, that being thirty days before the night of the killing. He was under the influence of whisky at the time of the tragedy and was barely able to relate the circumstances the morning following. When in jail here it seemed that he was mentally unbalanced, his testimony being so damaging against himself and his bold attempt to prove his innocence at the same time. St. Marie was married, being the father of four children who at his death fell heir to several thousand dollars. They are now being cared for by the Moore family in Drumright. His wife and the mother is now in the state asylum, being sent there six months ago after being examined before the county sanity board.

BACKACHE KILLS!

Don't make the fatal mistake of neglecting what may seem to be a "simple little backache." There isn't any such thing. It may be the first warning that your kidneys are not working properly, and throwing off the poisons as they should. GOLD MEDAL Haarlem Oil Capsules will give almost immediate relief from kidney and bladder troubles, which may be the unsuspected cause of general ill health. GOLD MEDAL Haarlem Oil Capsules are imported direct from the laboratories in Holland. They are prepared in correct quantity and convenient form to take, and are positively guaranteed to give prompt relief, or your money will be refunded. grant religious freedom and an effort will be made to remedy the defect when the legislature meets, according to Marshal A. Tucker of Oklahoma City, who was here this week looking after business interests. Mr. Tucker cited a case in Ellis county where three members of the Seventh Day Adventist church were arrested for working on Sunday. One of the men was assaulted, he says, and seriously wounded, his skull being crushed. Tucker charges also that the county judge and county attorney refused to grant them a fair and impartial trial.

GET IT FIRST—NOT LAST

When a cold grips your system it is convincing proof that your condition is weakened—remember that. It is risky indeed to simply trust your strength to throw it off, because neglected colds have brought more serious sickness than any other one thing, while weakening cathartics and stimulating syrups are often depressing and dangerous. The one best treatment for any cold—the one so often relied on when others fail, is the powerful blood-nourishment in Scott's Emulsion, which feeds the very sources of bodily strength to suppress the present cold and generate strength to thwart further sickness. Get Scott's first, not last—and insist on the genuine—always free from alcohol and injurious drugs. Scott & Borne, Roonfield, N. J. 15-33
